

Yes by the way I was going to ask you how did *SON* not make all stars I know he sits the bench two quarters unlike all those other starters so everyone can hVe equal playing to but his defense is amazing none of those hold backs even scored on him they scored when he sit the bench I agree with everyone playing time but no other team does that two of our kids don't even wAnt to play but play Same as our kids that do it just caused my kid all stars were a little mad I wonder if your going to do the same do have next tear with gave cause losing teams don't get picked but good job we won one game and cj and gave played the whole time you should have fought I am shocked I never said anything because I knew cj would excell in all-stars but now not Chad I and I are upset the way this year has gone cj played whole game in kindergarten against harder kids than this year sorry don't know your reasoning but hope it works out next year

Me: You come talk to me at our game today.

Me: I'm not going to discuss this over texting. I'd be more than happy to discuss with you face to face. Or your more than welcome to take it to one of the league officers.
